Fourth

Sunday of Lent

Jesus said, "I came into this world for judgment,
so that those who do not see might see,
and those who do see might become blind."

John 9:39

Coronavirus:

No-Panic Helpguide

By 1mg

**Prepare carefully,
but don't panic**

Involves your upper respiratory tract
(nose, throat, airways, lungs).

Caused by the newly discovered coronavirus, called as novel coronavirus, first identified in **Wuhan, China, in December 2019.**

COVID-19 is an infectious condition, which means it can be spread, directly or indirectly, from one person to another

Coronavirus has "high infectivity but low mortality"

How deadly is Coronavirus?

Mortality rate ranges between 2-3%.

It is significantly less severe than **2003 SARS** (MR: 10%) or **2012 MERS** (MR: 35%) outbreaks.

Risk of death is only higher in older people (above an age of ~60 years) and people with pre existing health conditions.

Why is there so much panic?

The lack of verified facts and floating rumours are to be blamed for this panic.

The most important thing is when a virus is new, we don't know how it may affect people.

No.

Almost 80% of people have **mild symptoms, and recover** from the disease in 2 weeks.

Most of the symptoms can be treated with **timely medical care.**

Source: John Hopkins Center for System Science and Engineering

Who is getting sick and how sick?

Older people are **twice** as likely to have serious COVID-19 illness.

Most coronavirus led illnesses are **generally mild, especially for children and young adults.**

Are children also at risk of coronavirus infection?

Just over **2% of cases** were under 18 years of age.

Of these, **fewer than 3%** developed severe or critical disease.

COVID-19 appears to be relatively rare and mild in children.

So, how exactly does the Coronavirus spread?

An infected person can spread the infection to a healthy person

through **eye, nose, and mouth**, via droplets produced on coughing or sneezing.

close contact with infected person. **contact with contaminated surfaces**, objects, or items of personal use.

There is no such evidence as yet.

experience with other coronaviruses like SARS and MERS suggest that **people do not get infected through food.**

Can the novel coronavirus be passed on through food?

No

There is no such evidence as yet.

Do I have coronavirus if I am coughing or sneezing?

You can suspect to have coronavirus, only if

You have symptoms (fever, cough, shortness of breath) + any out of these:

Travel history to a coronavirus-affected area (like China, Iran, Italy, Republic of Korea, etc.). Close contact with such a person.

Visiting a healthcare facility/ labs where Coronavirus patient being taken care of.

Track what your symptoms are. Coronavirus can give you symptoms like fever, cough, shortness of breath. They can be almost similar to common cold or flu and

may appear 2-14 days of exposure. Severity of illness can vary in different people from mild to severe symptoms.

Should I be tested for coronavirus if I

have high grade fever, cough and difficulty in breathing? Or can I get a coronavirus test done just for the sake of satisfaction? NO

Testing for coronavirus will only be done

as recommended by the doctors only if someone falls under the definition of "**suspected case**".

Why can't I get a home sample collection done for coronavirus testing?

It is because the virus is highly contagious and can only be tested by special labs equipped to handle

such contagious pathogens • As of now, only

labs with biosafety level 4 (BSL4) can handle the COVID-19 samples.

Can a person infected with coronavirus recover completely and be no more infectious?

In fact, about 80% of people have recovered from the disease **without**

needing special treatment

Can coronavirus be treated?

Symptom-based medical care is given

and has proven really effective. There is no specific treatment or vaccine

available for novel coronavirus as yet.

Will warm weather stop the outbreak of COVID-19?

As per the experts in the field, heat and

warm weather is likely to decrease the spread of COVID-19.

| <p>How long does the coronavirus survive over the surfaces or objects?</p> <p>Survives up to 8-10 hours over porous surfaces (like paper, untreated wood, cardboard, sponge and fabric) and a little more than this over nonporous surfaces (like glass, plastics, metals, varnished wood).</p> <p>What type of mask should one wear to protect against the coronavirus?</p> <p>The 3-layer disposable surgical masks are good enough to contain the virus. 코로나19 극복을 청하는 기도

자비로우신 하느님 아버지,
'코로나19' 확산으로 혼란과 불안 속에 있는
저희와 함께 하여 주십시오.
어려움 속에서도 내적 평화를 일지 않고
기도하도록 지켜주시고 각자의 삶의 자리에서
최선을 다할 수 있도록 이끌어주십시오.

'코로나19' 강령으로 고통 받는 이들에게
처유의 은총을 내려주시고, 이들을 헌신적으로
돌보고 있는 의료진들과 가족들을 축복하여 주십시오.
또한 이 병으로 세상을 떠난 분들의 영혼을
받아주시고, 유족들의 슬픔을 위로하여 주십시오.

국가 지도자들에게 지혜와 용기를 더해주시고,
현장에서 위험을 감수하며 투신하고 있는 관계자들을
보호해주시십시오. 특별히 이런 상황에서 더 큰 위험에
노출되는 가난하고 소외된 사회적 약자들을
저희가 더 잘 돌볼 수 있도록 도와주십시오.

어려운 시기를 겨내고자 애쓰는
저희 모두가 생명과 이웃의 존엄,
사랑과 연대의 중요성을 더 깊이 깨닫게 하시고
배려와 돌봄으로 희망을 나누는 공동체로
거듭나는 은총 내려주시길 간구합니다.

우리의 도움이신 성모님과 함께
우리 주 예수 그리스도를 통하여 비나이다. 아멘

Dear Fellow Parishioners, On March 28th, 2020 Our SVDP Ministry will hold its' fifth annual "Friends of the Poor® Run/Walk" at St. Jeanne de Lestonnac School. The goal of the walk is to raise money for the SVDP food pantry. The pantry serves over 70 local families in need each week and assists with other financial needs. Although we receive generous donations from area markets and parishioners, it is never sufficient to take care of the need. The ministry must purchase items weekly. We need funds to take care of these expensives. Please plan to participate.

Please reserve the walk date: March 28th, 2020 8 a.m.

Walk Registration: will take place after Mass the weekends of March 7th and 8th and March 14th and 15th.

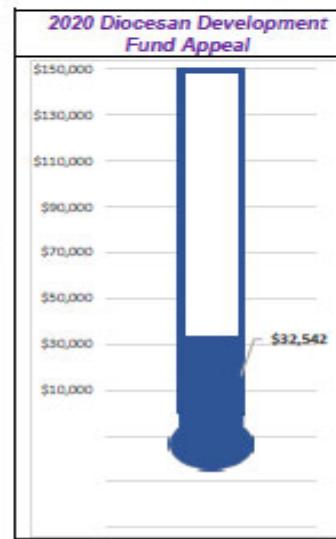

This could be an excellent way to observe Lent with your family and friends. Instead of giving up something, Walk for the Poor, donate and raise awareness of poverty in our community. For more information please contact Al Trevisan 951 383-8339, or by e-mail ahtrevisan@yahoo.com

LIFE TEEN
Leading Teens Closer to Christ

You are invited to join us at any or all of our youth ministry events. Our goal is to provide opportunities to grow as a community, get to know one another, grow in our faith, support each other with the every day stuff in our lives, eat, pray and have fun! Please join us!

CHARITY

If you truly want to help the soul of your neighbor, you should approach God first with all your heart. Ask him simply to fill you with charity, the greatest of all virtues; with it you can accomplish what you desire.

—St. Vincent Ferrer

CARIDAD

Si verdaderamente quieres ayudar a tu prójimo, tú primero debes acercarte a Dios con todo tu corazón. Pídele que te enseñe a ser caritativo, la virtud más grande de todas; con esta virtud puedes realizar todo lo que te propongas.

—San Vicente Ferrer

FILL US

Open wide the windows of our spirits and fill us full of light; open wide the door of our hearts, that we may receive and entertain Thee with all our powers of adoration

—Christina Rossetti

Abre de par en par las ventanas de nuestro espíritu y llénanos de luz; abre de par en par la puerta de nuestro corazón para que podamos recibirte y agasajarte con todo nuestro poder de adoración.
