12. Signs of hope are also needed by those who are the very embodiment of hope, namely, the young. Sadly, they often see their dreams and aspirations frustrated. We must not disappoint them, for the future depends on their enthusiasm. It is gratifying to see the energy they demonstrate, for example, by rolling up their sleeves and volunteering to help when disasters strike and people are in need. Yet it is sad to see young people who are without hope, who face an uncertain and unpromising future, who lack employment or job security, or realistic prospects after finishing school. Without the hope that their dreams can come true, they will inevitably grow discouraged and listless. Escaping into drugs, risk-taking and the pursuit of momentary pleasure does greater harm to them in particular, since it closes them to life's beauty and richness, and can lead to depression and even self-destructive actions. For this reason, the Jubilee should inspire the Church to make greater efforts to reach out to them. With renewed passion, let us demonstrate care and concern for adolescents, students and young couples, the rising generation. Let us draw close to the young, for they are the joy and hope of the Church and of the world!

12. También necesitan signos de esperanza aquellos que en sí mismos la representan: los jóvenes. Ellos, lamentablemente, con frecuencia ven que sus sueños se derrumban. No podemos decepcionarlos; en su entusiasmo se fundamenta el porvenir. Es hermoso verlos liberar energías, por ejemplo cuando se entregan con tesón y se comprometen voluntariamente en las situaciones de catástrofe o de inestabilidad social. Sin embargo, resulta triste ver jóvenes sin esperanza. Por otra parte, cuando el futuro se vuelve incierto e impermeable a los sueños; cuando los estudios no ofrecen oportunidades y la falta de trabajo o de una ocupación suficientemente estable amenazan con destruir los deseos, entonces es inevitable que el presente se viva en la melancolía y el aburrimiento. La ilusión de las drogas, el riesgo de caer en la delincuencia y la búsqueda de lo efímero crean en ellos, más que en otros, confusión y oscurecen la belleza y el sentido de la vida, abatiéndolos en abismos oscuros e induciéndolos a cometer gestos autodestructivos. Por eso, que el Jubileo sea en la Iglesia una ocasión para estimularlos. Ocupémonos con ardor renovado de los jóvenes, los estudiantes, los novios, las nuevas generaciones. ¡Que haya cercanía a los jóvenes, que son la alegría y la esperanza de la Iglesia y del mundo!
